

Empathizing

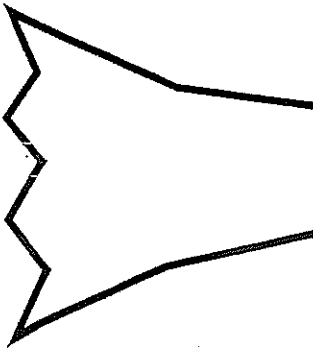

"I'll think about what I feel and why."

Confirming

"I will use what I have read so far to check whether my predictions are correct, or not yet confirmed."

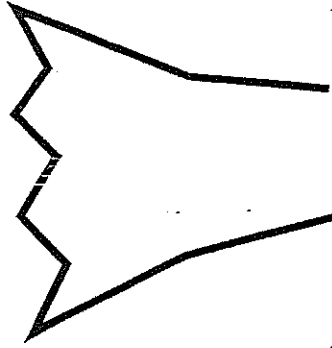

Inference

"I will use my prior knowledge and information from the text to reach my conclusion (inference)."

Connecting To ... Literature (Intertextuality)

"I'll think of something in another book that reminds me of what I am reading."

Identifying

"I'll think about whether this character makes me think about myself or someone I know and why."

Predicting

"I will use what I have read and my knowledge to make a guess about what will happen next."

Summarizing

"I'll say to myself the important parts of what I have read so far."

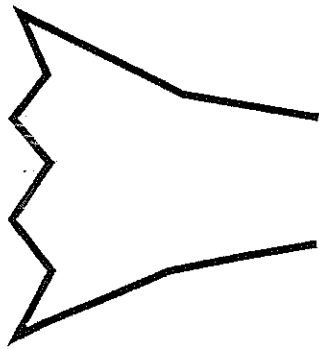

Text

(Retrospecting)

"I'll think of something I've read earlier in this book that makes me think of this part."

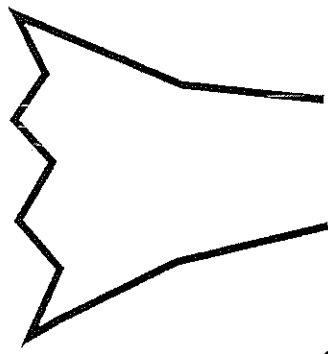

**Retelling/
Paraphrasing**

"I'll say to myself
what I've read in my
own words."

Visualizing

"I will create a
picture in my mind
about what I am
reading."

...Life

"I'll think of some
experience or something
I know about that
reminds me of something
I am reading about."

Elaborating

"I'll use my
knowledge to make
inferences and add
information to what
I read."

Monitoring

"I'll make sure that what I am reading makes sense to me or I'll use a fix-up strategy."
